

In parallel with the conference, an outdoor exhibition featured a display of 36 vehicles by 12 domestic car manufacturers and 2 motorcycle manufacturers, with some vehicles showcased in demonstration runs. Additionally, special tours of the museum's library and the rare materials room (which is normally closed to the public) were held, providing insights into the acquisition and preservation methods for archived materials.

On the following day, November 1, participants visited the Fuji Motorsports Forest in Oyama, Shizuoka Prefecture, touring the Fuji Speedway and the Fuji Motorsports Museum before concluding the conference with a farewell party at the Fuji Speedway Hotel
